

**\*ALL EXAMINATIONS\*** Please bring your Health Care card and another piece of identification with this form.

If you have any questions about your exam, exam preparation, or need to change or cancel your appointment, please contact Central Booking. Patients who miss their appointment and fail to cancel 24 hours prior to their exam may be charged a \$25.00 fee.

**Only exams below require preparation. Please review carefully to ensure the best exam results.**

## MPI - Myocardial Perfusion Imaging - with or without Persantine (Dipyridamole)

*\*If there is any chance of pregnancy, the exam should be postponed until the start of menses or within the 10 days thereafter.*

*\*Please inform your technologist prior to your injection if you are breastfeeding.*

Your heart is imaged in two phases, on two separate days: once after stress (exercise), once while resting. Each appointment takes approximately 2-3 hours.

**1. Do not consume any caffeine for 24 hrs prior to your stress test appointment**

This includes such things as: coffee (*including decaffeinated coffees*), teas, colas and soda pops, chocolate, Tylenol #1, #2, and #3 (*over the counter Tylenol products may be used*). If you are taking a prescription medication for pain relief, contact your pharmacist to ensure that it does not contain any caffeine.

No erectile dysfunction medications (*eg. Viagra, Cialis*) 72 hours prior to your exam (*applies to both males and females*).

**2. Do not eat or drink anything after midnight before the test**

If you normally take medication in the morning, you may continue to do so with some water (*unless otherwise directed by your physician*).

**3. Bring a list of your medications with dosages included**

Continue to take all your medication(s) as directed by your physician. Should you have any questions about taking your medications for the test, contact your doctor's office.

**4. Diabetic Patients**

DO NOT take your diabetic medications on the morning of your stress test. Bring your medications.

**5. Asthmatic Patients**

Bring your inhalers and medications.

**6. Clothing**

Please wear a comfortable pair of pants or shorts, and appropriate footwear to be worn on a treadmill. No one piece undergarments.

**7. Food**

Please feel free to bring a snack. There will be a waiting period between the stress test and scan.

## Cardiac Amyloidosis Scan

*\*If there is any chance of pregnancy, the exam should be postponed until the start of menses or within the 10 days thereafter.*

*\*Please inform your technologist prior to your injection if you are breastfeeding.*

Your heart is imaged in two phases on the same day: once 1 hour after injection and then again 3 hours after injection.

## Exercise Stress Test - no imaging

Please wear a comfortable pair of pants or shorts, and appropriate footwear to be worn on a treadmill. No one piece undergarments.

## Locations
